From Mr. M. Rama Rao. d. 7-8-36

Says that the Medical Board have unjustly declared him unfit for executive service though he is not suffering from any defect, and prays that the medical examination records may be looked into and that he may be permitted to sit for the examination.

5). This is a representation from an applicant for the M.C.S. Examination against the decision of the Medical Board which has disqualified him.

6) The Medical Board has been constituted by the M.C.S. Examination Board of Management, and the Report of the Medical Board on the defects for which each of the candidates rejected have been disqualified has not been communicated to Govt. The only information available here is 16 candidates, whose names are communicated, have been declared as unfit for the examination. (Some further particulars may be available in the Office of the Secy. to the Board)

7) On an examination of

the available papers relating to the M.C.S. examination of previous years, the following facts are gathered. Till the year 1919, the applications of candidates were being received in the Secretariat and the Medical Board constituted by Govt and the results of the medical examination were being reported to Govt.[s] From 1919, the applications are sent to the Secy of the Examn Board who takes all further steps to constitute the Medical Board etc. Govt. are not dealing directly with the Med. Board now. The names of the candidates declared medically unfit are, being merely communicated to Govt. for information.

8) As regards the general principles, it is gathered by a study of the papers of the examn of 1919 & previous years that in 1915, a Govt[x] order was issued (to the Secy. Surgl & the D.G. of Education) requesting that in future reports regarding the examination of candidates by the Medical Board,

the defect or defects on account of which a Candidate is disqualified by the Medical Board" was ordered to be specifically mentioned. If this direction has been followed, it is probable that the Medical Board have informed the Board of Management of the defects on account of which each Candidate has been disqualified.

9) The previous discussions show that it has always been recognised that a Candidate is not entitled to be told the reasons for his disqualification, but Govt. have in some instances indicated a relaxation in respect of the standard required in the case of some of the defects. For instance, in the year 1919 when a Candidate represented that he had been disqualified for "defective vision" Govt. informed the Board of management that he ~~may be~~ might be permitted to sit if this be the only defect. (It was however reported that the defect was of a nature that could be so condoned). In the year 1915, on an enquiry was made by Govt re: the defect for which Mr M. Seshadri had been declared unfit and it was elicited that he was suffering from a disease speedily ~~remiable~~ remediable by a small operation; ~~he was rejected~~ he then underwent another examn at a later date and then admitted to the Examn.

Serial No.

In 1913, Mr. A.N. Raghavachar seems to have been disqualified by the Medical Board for an eye-defect. He produced independent expert medical testimony to show that the defect was not such as to unfit him for executive work and on this Govt. ordered that he may be allowed an opportunity to sit for the examination, subject to the proviso that he would be taken to service (if successful) on condition that his eyesight continued to be satisfactory. Reference is invited to Dewan's Subm^n note d. 5.7.1913 in this connection, wherein it was adduced that "it would be a pity to lose the chance of securing for the service so promising a young man."

(6) On the present occasion, the Board of Management have communicated the names of 18 candidates as having been declared unfit to sit for the examination. Some of these appear, however, to be graduates of distinction. It is for orders whether information may be called for as to the defect or defects on account of which each of these candidates has been considered unfit for the information of Govt. [It is not open to any candidate to ask for communication of the reasons for disqualification]

To

The Chief Secretary to the Government of Mysore
Bangalore

In submitting herewith a copy of the communication dated 30th July 1936 received by me from the Secretary Mysore Civil Service Examination Committee I beg to appeal to the benign Government against the decision of the Medical Board to the effect that I am declared unfit for admission to the ensuing M.C.S examination and to state as follows.

In August 1935 when I applied for the post of a Revenue probationer I got myself examined by Dr. Venkata Subba Rao who is an M.R.C.P Assistant Surgeon Victoria Hospital Bangalore and was certified to be fit for executive work. No defects were noticed in me then. Again in June 1936 Dr N. Subba Rao Surgeon and District Medical Officer Bangalore District examined me and found no defects in me. As such the above communication from the Secretary M.C.S examination Committee, that I was found unfit by the medical Board, came to me both as a surprise and a severe shock for I had not the faintest idea that any medical board would disqualify me who had been found quite alright in all respects by two competent and Capable medical officers further having stood first in the University in the M.Sc Examination (physics) held in 1935 and having obtained a Gold Medal and 398 marks out of 500 which is said to be a record figure for, I was naturally looking forward to securing the highest place in the ensuing examination and you can easily imagine Sir, what a great shock it was to know that the Medical Board had disqualified me.

So far as the Medical examination itself is concerned I am sure no defects could have been found in any part of my body as I was not subjected to a second test like some others. Nor could my height or weight have influenced the medical Board to come to their decision for I am neither more than 5 ft 6 inches in height and weigh about 114 lbs and my age is about 22 years. I am good at cycling and can easily ride 20 to 30 miles on the bicycle without any fatigue. Such being the case I am at a loss to know how in the face of the above facts the medical Board could have disqualified me. I am prepared to submit myself to any further medical examination which the Government may be pleased to order.

In these circumstances, I humbly beg to appeal to you Sir to very kindly obtain the medical examination records and look into them and set right the grave injustice done to me by permitting me to sit for the ensuing examination after getting me once again examined by some superior medical officer or officers if Government should deem it necessary.

I beg to remain
Sir
Your most obedient
Servant.

11 AUG. 1936

Sir,

I beg to inform you that I was one of the candidates who sent in their applications for the ensuing M.C.S examination. I have been a rank student throughout my career, having rated Third for the state in ~~my~~ the S.S.L.C, second in the Intermediate and first in the B.Sc (Hons) and M.Sc examinations. I was a merit-scholarship holder for 5 years (1929-34) and I have won the Mysore government Physical Science Prize and the Purna Krishna Rao gold medal for chemistry in the years 1934 and 1935 respectively. I am sadly disappointed to learn that the medical board has disqualified me from appearing for the examination. I request that my case may kindly be reconsidered by the Government and permission granted to me to appear for the examination

I am, Sir,

The Medical board, the undersigned understands, has declared Mr.M. Rama Rao unfit for the ensuing M.C.S. Examination. I know M.Rama Rao very well as a student in the B.Sc.(Hons.) and M.Sc. classes of the Central College and consider him to be a very bright young man. He has scored nearly 80% of the total marks in the M.Sc. examination held last year. I feel that, unless he is suffering from any serious organic disease, he must be permitted to sit for the examination. My experience of him as a student makes me believe that he enjoys normal health

Sir,

I have been intimated by the Secretary, Mysore civil Service Board That I am not permitted by the Medical Board to sit for the examination. I like to bring to your kind notice, that I was playing tennis and other games throughout my college career and except for the fact that I am a little below weight due to the strain of the examination, I am in other ways quite healthy and active. Considering these facts, please permit me to sit for the examination.

Sir,

I passed my B.Sc.(Hons) examination in the year 1934, standing first among Physics students and received the Mysore Govt.Physical Science Prize. My subjects were Physics main and mathematics and Chemistry subsidiary. May I be permitted to bring to bring to your kind notice, that I have passed all examinations in First Class getting the fourth rank in my Matriculation and the third Rank in the Intermediate. Throughout my College career, I was the recipient of the merit scholarship. After standing First in my final Hons examination, I was working as a research scholar in the Central College, under the able guidance of Prof.B.Venkateshachar, and have to my credit two original papers

In view of my qualifications, I will be ever grateful to you Sir, if you can kindly take me as a Probationer in any one of the departments on a suitable salary. Thanking you for your favourable disposal of this my application,

Sir,

I beg to submit that I had offered myself as one of the candidates for the forthcoming Mysore Civil Service Examination. The Medical Board, who examined me, have declared me unfit. This verdict has caused me no little concern.

I am a permanent employee of British Military Department (Commander, Royal Engineer's Office) and the Medical Authorities of the Military Department have examined me a number of times, declaring me fit even for Field Service. In fact, my compeers and other employees of the Department are subjected to a close medical examination year by year and at no time have I been declared unfit.

Sir,

With reference to your letter of 25-8-1936 for the re-examination of 2 M.C.S. candidates I have the honour to report that they were thoroughly examined once again by the Board.

During the original examination of all the candidates the Board had in their minds the minimum requirements of health, constitutional robustness and freedom from defects that would reasonably ensure efficiency on the part of a civilian officer in any of the numerous executive duties that he is usually called upon to do in the departments of Revenue, Police, Excise, Judicial etc. No candidate was disqualified for obviously temporary slight ill health or defects but the Board did not consider the possibility of defects and want of constitutional robustness being "remediable in course of time with proper care and treatment".

The Board's unanimous opinions regarding the 2 candidates are as follows:-

1. Mr.M.Rama Rao (13) - Poor physique, with small chest and poor chest expansion. Much under normal weight for his height. Slightly anemic. With suitable care, treatment and physical exercises over a fairly long period he may become sufficiently robust for efficient performance of the executive duties of a civilian officer.

2. Mr.K.Krishnaswami (101) - Poor physique. Much under normal weight for his height, but lung capacity is fairly good. With proper care and treatment he is likely in a few months to attain the minimum robustness of constitution that would be needed for a civilian officer.

In view of the new angle of vision suggested, the Board again carefully reviewed the records of the other candidates who have been declared unfit. They submit the following 4 names of candidates who may possibly be in the same category as these 2 candidates. If Government consider it necessary and if the candidates are willing - they may be re-examined regarding their defects being remediable or not in course of time with proper care and treatment.

1. Mr. V.Ramaswami Ayyar (5)
2. " V.S.Vasudevan (43)
3. " M.Seshadrinath (82)
4. " G.S.Rama Rao (95)

I am returning herewith the letter of the Government which formed an enclosure to your last letter.

Sir,

With reference to your D.O. letter No. M.C.S.554/36 dated 9th Septr. 1936 forwarding the report of the Medical Board regarding the re-examination of two candidates, I am directed to state that under the circumstances mentioned, Mr. K. Krishnaswami (No.101) may be admitted to the examination subject to the condition that in the event of his success therein his admission into the Service will be dependant on his satisfying the Medical Board again that his constitution has improved appreciably during the interval and that the progress will be maintained.

From

D. J. KESAVAIENGAR, Esq., B. A.,
Chief Secretary to the Government of His Highness the Maharaja of Mysore.

To

N. S. Subba Rao, Esqr., M.A., Bar-at-Law,
Secretary, Mysore Civil Service Examination Committee,
Bangalore.

Sir,

With reference to your D. O. letter No.M.C.S.554/36 dated 9th September 1936 forwarding the report of the Medical Board regarding the re-examination of two candidates, I am directed to state that under the circumstances mentioned Messrs. M.Rama Rao (Sl.No.13) and K. Krishnaswami (No.101) may be admitted to the Mysore Civil Service Examination subject to the condition that in the event of their success therein their admission into the service will be dependant on their satisfying the Medical Board again that their constitution has improved appreciably during the interval and that the progress will be maintained.

Government observe that the Medical Board refer in this connection to a "new angle of vision". I am to state that there is no such new angle suggested but only a re-examination of two candidates.

I have the honour to be,
Sir,
Your most obedient servant,

Chief Secretary to Government.

Honoured Sir,

I beg to submit the following few facts to your kind and urgent consideration.

I am extremely sorry that I was not advised to do the same before.

I am an applicant for the ensuing M.C.S Examination — but unluckily one of those unfortunate few who were disapproved by the Medical Board.

As soon as I received their communication I wrote back to them urging a reconsideration of my case owing to special circumstances. I beg to explain to you what they are, Sir.

In the first place I am constitutionally quite alright. I do not know on what grounds did the Board disqualify me excepting on the consideration of my lacking a few lbs in weight. Of this fact viz that I am by a few lbs deficient in weight I am fully conscious and I beg to bring it to your notice that this is not a serious ground on which to rob an enthusiastic young man who has set his heart and soul on the present task, of his life-chance.

As I have explained formerly in my letters to the president of the Med. Board, even this

unlucky (though apparent) deficency is owing to the fact that on the eve of the medical examination I was just recovering from the after-effects of a prolonged illness.

I am confident of improving my condition in very little time provided I am assured of my entry into the examination.

pray sir, all that is needed is a little sympathetic understanding and a generous insight into my particularly unfortunate case to allow me to take my chance.

In the hope (would to God that it should not turn out to be vain) of events taking a favourable turn still, I am studying, although alas! with a heart full of doubt and suspense.

for the past fifteen days I have been staying at B'ore trying to ascertain my fate. I tried my best to fix an interview with you but owing to holidays and other unexpected causes I could not succeed in my attempt

So, again I have to go back carrying a heart as heavy with doubts and fears as I brought with me

pray sir let me be allowed to take my chance and I appeal to you to view my case with a little sympathetic insight for which I shall be highly grateful.

meanwhile, I beg to submit that I will be irrecoverably handicapped if I cannot be informed of your kind and favourable consideration of my case, as early as possible

Anxiety and despair make me stop here and do not allow me to proceed

Offering my very respectful regards and praying for a reply being vouchsafed as early as possible

I beg to remain Sir,

Yours very Respectfully
